

1 Peel Back Fabric:

Peel back the fabric about 4 - 5 inches. Cut and remove the core at a 90 degree angle in between the dimples.

2 Fold Fabric:

Fold the excess fabric over the core toward the flat side of the product.

3 Hold fabric in place:

Hold fabric flap in place flat against core.

4 Tape:

Using **J-Tape**, secure flap to the core by taping completely around product.
